FEA uses Plaid, a well-known payment system (used by companies like Venmo) that links consumer bank accounts securely with applications. In the following steps you will allow Plaid to connect your bank account to your union's bank account. Note that your local union and FEA will not have access to any of your bank information; they will only receive your dues payments.

Step 1: Open your personalized email and click the secure link

(A) Each member will receive a personalized email from **centralmembershipsystem@floridaea.org** with the subject line "I'm sticking with my union eDues Payment Summary":
